PROJECTS

NOTES WEBAPP | HTML, CSS, JAVASCRIPT, BOOTSTRAP

A web app to create notes, with a minimalist design. This web app can take user input and store it in local storage and also display it in a clean organised manner. Users can delete individual notes which are not required.

TO DO LIST | HTML, CSS, JAVASCRIPT, BOOTSTRAP

A web app to create a simple to do list, with a minimalist design. This web app can take user input and store it in local storage and also display it in a clean tabular form. Users can delete individual items or delete the complete list.

RESPONSIVE WEBSITE | HTML, CSS, JAVASCRIPT

This is a fully responsive single page website. Converted from a .psd design file to a responsive web page, with a complete mobile view. It features a modern design, with smooth scrolling. Created using best HTML and CSS practices.

PRODUCT PAGE | HTML, CSS

This is a web page designed for a product listed on an e-commerce website. It features a minimalist and modern design, with professional fonts and graphics. It is completely responsive, with a simple mobile view. Created using best HTML and CSS Practices

ROLES & RESPONSIBILITIES

HEARTITOUT | WEB DEVELOPMENT

Developed, Maintained and Updated the website for HeartitOut.in, a mental health and wellbeing company, based out of Bangalore. I was responsible for the development of fast, functional and responsive webpages using custom code and bootstrap 5.

GTK CLINIC | WEB DEVELOPMENT | BUSINESS MANAGEMENT

Developed the website for GTK Surgical, Advanced Laparoscopy Gastro Center, a laparoscopic clinic in Adarsh Nagar, North Delhi. And was responsible for Business Management Online.

EDIFYTHOU | CORE TEAM | WEB DEVELOPMENT | FILMS HEAD

Was the member of the core team of this startup, was involved in the creation of films for the campaigns, created the website of the startup, with a good lighthouse score. Was also directly involved in the operations and ideation of the startup.

EDC JSS | CORE DESIGN MEMBER

Member of the core design team of the Entrepreneurship Development Cell (EDC) have contributed in the designing and development of posters and films relating to the events organised by the cell.
